June | Skills shortage

Deadline: Editorial - 14/05/17 Artwork – 21/05/18

Having weathered the economic downturn, the construction industry now contends with a worrisome shortage of skilled workers. This month we reflect on the contributing factors, the implications of the EU referendum for migrant workers, and the ways in which the industry is fighting back. Developing skills across the construction industry is core to ensuring it remains viable and effective.

July | Health & Safety, legislation, finance, adjudication

Deadline: Editorial - 18/06/18 Artwork – 22/06/18

Health & Safety is of paramount importance in the construction industry. From workwear to working at heights, we take a look at what's happening across the industry, together with the latest comments on litigation and adjudication decisions that affect the sector.

August | Housing

Deadline: Editorial - 16/07/18 Artwork 23/07/18

Tackling the housing crisis. Hand-in-hand with the skills shortage, the UK's much-publicised housing shortfall continues to dominate headlines nationwide. The government has pledged to build tens of thousands of homes ahead of 2020, and during August we evaluate what is being done to address this, and what opportunities exist within the construction supply chain.

September | Technology in Construction

Deadline: Editorial - 18/08/18 Artwork 25/08/18

Advances in technology are transforming the construction industry. From digitisation to drones, innovative new technologies are helping to increase quality, reduce costs and improve safety in all areas. This month we focus on the innovations that are moving the dial and helping to shape the construction industry of the future. Themes include software, BIM, UAVs and the Internet of Things.

October | Education

Deadline: Editorial - 17/09/18 Artwork – 22/09/18

As the nation opens its doors to a new school intake, we explore the opportunities for the construction industry arising from the Government's education agenda. From renovations and refurbishments to the building of new and interactive learning environments, what is happening and how can construction play a positive part in improving educational standards?

November | Energy & Utilities

Deadline: Editorial - 15/10/18 Artwork – 19/10/18

With green energy overtaking coal-powered production in the UK, we take a look at the energy scene. From solar power to nuclear, we investigate the changes this is making to UK industry and landscape and where the future lies. As more homes are built and our future energy needs change, how will the UK adapt to these challenges?

December | Annual review

Deadline: Editorial - 16/11/18 Artwork - 20/11/18

We take a retrospective look at some of the year's biggest stories.

Additionally, each month the magazine features a project focus, as well as articles on BIM, construction software, legislation, Health & Safety, sustainability, fleet, and plant.
